

2025 Hazardous Materials Transportation Web-Based Training Class for Aviation Industry Shippers –Registration Form

All classes meet the training requirements established under Title 49 C.F.R. We train to the IATA Dangerous Goods Regulations (conforms to the ICAO Technical Instructions). Those who successfully complete this course and pass the subsequent test will receive a certificate of training (suitable for framing) and a record of training to be placed in the employee's file (meets government recordkeeping requirements).

The cost of the course includes digital materials, but the attendee agrees to provide their own copy of the IATA **Dangerous Goods Regulations (DGR) Manual – 2025 (66th edition).**

The attendee will be expected have the 2025 IATA DGR Manual prior to the class.

IT IS NOT POSSIBLE TO COMPLETE THE CLASS WITHOUT THE 2025 IATA DGR MANUAL.

Please visit www.dangerousgoodstraining.net for more information such as the syllabus and class schedule prior to completing and returning this form.

A discount applies to members (and employees of member companies) of the participating trade associations. Please use a new form for each student you are registering.
